

## 公司簡介

恆美矽工有限公司是一家集研發、生產、銷售於一體的專業手錶配件供應商，總部設於中國東莞，並於香港設有銷售及服務中心，致力服務全球客戶。公司專注於矽膠錶帶為主的多元手錶配件，憑藉先進的自動化生產設備、專業的研發團隊及嚴格的品質管理，為客戶提供一站式解決方案。

我們秉持「品質為本、創新驅動、服務至上」的經營理念，產品遠銷歐美、東南亞等多個國家及地區，深受國際手錶品牌、電子產品製造商、禮品推廣公司及各類批發零售商信賴。

## 產品優勢

1. 矽膠錶帶 (Silicone Watch Straps)
  - \* 採用食品級/醫療級矽膠，親膚、無毒、環保
  - \* 柔軟舒適、防水防汗、耐高低溫、不易變形
  - \* 多色可選，支持雙色、混色、壓紋、LOGO 印刷與雷射雕刻
  - \* 多種扣型（不鏽鋼、塑膠、快拆等）及尺寸可供定制
  - \* 適用於智能手錶、運動錶、兒童錶、時尚錶
2. 橡膠錶帶 (Rubber Watch Straps)
  - \* 採用優質天然或合成橡膠，彈性佳、耐磨、耐油
  - \* 特別適合運動及戶外用途
  - \* 表面可做防滑紋理與多種顏色處理
3. 氟橡膠錶帶 (FKM/Viton Watch Straps)
  - \* 高性能氟橡膠，耐高溫、耐化學腐蝕、不易老化
  - \* 質感細膩，適合高端及專業運動錶
4. TPU 錶帶 (TPU Watch Straps)
  - \* 熱塑性聚氨酯，柔韌耐磨，色彩鮮明
  - \* 可做透明、半透明、啞光、亮面等多種效果
  - \* 適合兒童錶、智能錶、時尚錶

## 5. 塑膠錶殼 (Plastic Watch Cases)

- \* 採用 ABS、PC、PP 等高強度塑膠
- \* 輕巧堅固，支持多色注塑、噴油、電鍍、印刷 LOGO
- \* 可開模定制，適配各類機芯

## 技術與品質保障

- \* 擁有自主設計及研發團隊，持續創新產品結構與功能（如快拆、雙色、抗菌等）
- \* 自設現代化工廠，產能充足，交期穩定
- \* 嚴格品管，產品通過 RoHS、REACH、CE 等國際認證
- \* 全程質檢管理，從原料、打樣、量產到出貨均經多重檢測
- \* 可依客戶需求提供第三方測試報告及產品認證

## 一站式服務

- \* 支援 OEM/ODM，協助客戶從設計、打樣到量產全流程無縫對接
- \* 提供小批量靈活訂單與大批量穩定供貨
- \* 專業團隊提供售前技術諮詢與售後服務保障

## Hermi Silicone Works Co., Ltd.

Quality Straps · Timely Service

### Company Profile

Hermi Silicone Works Co., Ltd is a professional manufacturer specializing in the R&D, production, and sales of high-quality watch accessories. Headquartered in Dongguan, China, with a sales and service center in Hong Kong, we are dedicated to serving global clients with one-stop watch accessory solutions. With advanced automated production lines and a skilled R&D team, we focus on innovation, quality, and customer satisfaction.

Guided by the philosophy of “Quality First, Innovation Driven, Service Oriented,” our products are exported to Europe, the US, Southeast Asia, and other regions. We are trusted by leading international watch brands, electronics manufacturers, promotional companies, and distributors worldwide.

### Product Highlights

#### 1. Silicone Watch Straps

- \* Made of food-grade/medical-grade silicone, skin-friendly, non-toxic, and eco-friendly
- \* Soft, comfortable, waterproof, sweat-resistant, durable, and temperature-resistant
- \* Wide range of colors, supports dual-color, mixed color, embossing, logo printing, and laser engraving
- \* Multiple buckle options (stainless steel, plastic, quick-release, etc.) and customizable sizes
- \* Suitable for smartwatches, sports watches, kids' watches, and fashion watches

#### 2. Rubber Watch Straps

- \* Made from premium natural or synthetic rubber, highly elastic, wear-resistant, and oil-resistant
- \* Ideal for sports and outdoor applications
- \* Available with anti-slip textures and a variety of color options

#### 3. FKM/Viton Watch Straps

- \* High-performance fluororubber, resistant to high temperatures, chemicals, and aging
- \* Delicate texture, perfect for high-end and professional sports watches

#### 4. TPU Watch Straps

- \* Thermoplastic polyurethane (TPU), flexible, durable, and vibrant in color
- \* Available in transparent, semi-transparent, matte, glossy, and other finishes
- \* Ideal for kids' watches, smartwatches, and trendy models

#### 5. Plastic Watch Cases

- \* Made from high-strength ABS, PC, or PP plastics
- \* Lightweight and robust, supports multi-color injection, painting, electroplating, and logo printing
- \* Custom mold development available, compatible with various watch movements

### Technical Strengths & Quality Assurance

- \* In-house design and R&D team, continuously innovating in structure and functionality (e.g., quick-release, dual-color, antibacterial)
- \* Modern self-owned factory, strong production capacity, stable lead times
- \* Strict quality control: all products certified to RoHS, REACH, CE, and more
- \* Full-process inspection from raw materials to finished products
- \* Third-party testing reports and certifications available upon request

### One-Stop Service

- \* OEM/ODM support: seamless process from design and sampling to mass production
- \* Flexible order quantities: small batches and large-scale supply both available
- \* Packaging design, labeling, barcoding, and logistics services included
- \* Professional team offering pre-sales consultation and after-sales support
